

Central city travel network (First Phase, complete 2017)

Getting to anchor project destinations

This map shows the first phase of the plans for part of the new central city travel network. Construction began in late 2014 and is expected to be complete in 2017.

These routes (orange) are top priority so that people can get to, from and in-between anchor project destinations (blue) in the central city more easily and safely - whether they travel by car, bus, walking or cycling.

Further phases are planned over at least the next twenty years.

Key

1. The Earthquake Memorial
2. Te Puna Ahurea Cultural Centre
3. North Frame
4. East Frame
5. South Frame
6. Margaret Mahy Family Playground
7. Te Papa Ōtākaro/Avon River Precinct
