## CBD weekend bus trips almost at capacity

Release Date: 30 November 2011

The CBD Red Zone bus trips have just two weekends left to run, and although there are still 1000 seats left, those places are only available on buses running over the last weekend; December 10 and 11.

The booking lines are open on weekdays between 8am and 5pm and the number is 0800 RING CERA.

Meanwhile capacity limits have been increased for the walking trips into Cathedral Square.

From this Saturday, 400 people will be able to be inside the walkway area at any one time. The gates open at 9am and the last intake starts at 7pm.

CERA's advice remains that given the potential for danger, people should wear sturdy shoes, and carry ID on their body rather than in a bag.

Bicycles, scooters and skateboards are not permitted, and pets must also be left outside.
