## Choice Chch AMI Stadium Community Open Day

Release Date: 23 April 2012

### ***Saturday 28 April 2012, 12pm - 5pm***

Choice Chch, the people who bring you fun-filled free community events in conjunction with the Christchurch Stadium Trust, invite you to celebrate our brand new AMI Stadium on Saturday 28 April 2012, 12pm - 5pm.

This is your opportunity to check out this great facility from top to bottom. All areas will be open to the public, from the playing surface to the corporate boxes and player changing sheds.

So this is a unique chance to stand on the actual pitch where all the great games are played.

The Stadium will also showcase a diverse range of local talent to entertain both young and old.

We are also providing free bus transport from some key locations.

In their first major public appearance, and headlining the huge range of entertainment, is up and coming local band Make Believe.

The day will feature many other entertainers, cultural groups and buskers as well.

Kids of all ages will have the opportunity to play ball with local sport personalities and to stand on the pitch where all the great games are played.

There really is something for everyone so bring yourself, friends and the family and come and enjoy a great free day out and make the stadium your own.

Well known local chef, Jonny Schwass will also be there to tantalise your tastebuds.

Free bus transport will be provided every half an hour from The Palms and Eastgate shopping centres, New Brighton and the Central Station to the stadium.
